Meetup With the Municipality of Bodrum

We held a meeting with Bodrum Municipality, one of our biggest supporters and partners in Bodrum, at the beginning of June.

In this meeting, we discussed areas where we should innovate and create value in Bodrum.

We would like to inform you about some of our Meeting Headlines and to be prepared for the developments in Bodrum. We are very excited for the future of Bodrum!

Entrepreneur MeetUp

The purpose of the event was to bring together entrepreneurs who stayed at home for a long time due to the pandemic, and to allow them to share their experiences with each other.
