STARTUP TALKS AT MUĞLA SITKI KOÇMAN UNIVERSITY

We were at Muğla University for the 'Startup Talks' event held on Wednesday, December 22, with the presentation of Bodrum Living Lab General Director Buğra Karahan.

Cittymapper.com Eastern Europe CEO Erhan Erdoğan also attended this event, where we had an effective conversation about many topics from entrepreneurship to the journey of becoming a startup from an idea.

WE HOSTED THE 'SOIL TALKS' EVENT

The first of the Bodrum Living Lab "Soil Talks" event took place on Sunday, December 5 with the participation of the Vice President of Bodrum Seed Association Gürkan Ovaloğlu and the founder of LifeCo Ersin Pamuksüzer.

After the pleasant conversation we had on nature and soil, our participants had the opportunity to discover the natural products of Bodrum Tohum Association. Soil Talks hosted by Bodrum Living Lab will continue with different topics and guests.
